Vault is the marketing name for Vault Reciprocal Exchange, Vault E&S Insurance Company, and their affiliates. Most products and services offered by affiliates and subsidiaries of Vault. Some insurance products and related services may be offered or underwritten through unaffiliated third-parties. The fact that an insurance carrier is listed above does not mean that insurance coverage will be provided to you by any such company, or that any such company is authorized to offer a particular type of insurance product or coverage in a particular jurisdiction. Policies offered through surplus lines carriers are only available through licensed surplus lines brokers. Surplus lines carriers' rates and forms are not approved by any regulatory authority and generally do not participate in, or receive protection from, state guaranty funds.
